

ME PEARL LAUNCHES WEBSITE TO OFFER ASSISTANCE TO THOSE IN WANT

Pearl of Wisdom is here to solve your problems.

(Wednesday, May 19, 2010) – Hollywood, California, ME PEARL (<http://www.mepearl.com>) announced today the launch of a website to facilitate the answers to all questions. The inspiration and core of this project is Pearl, a deceased squirrel who has chosen a Pink Mama (PM) through whom she channels her amazing insights into things on this plane. Pearl lived for 10 years as a non-releasable in So. Cal., where she absorbed vast amounts of information through her 7 senses, tuned beyond anything you can yet imagine. And the rest she makes up. In short, in matters vegetable, animal and mineral, ME PEARL is the very model of a modern psychic squirrel. Croaking only increased her powers and lovability factor. You can ASK PEARL anything.

When asked about the funding sources for this venture Pearl said, “I am certain beyond any reasonable expectation that giving to ME will change the lives of all and the course of history.”

Pearl went on to explain that the time has come for the entire world to benefit from her wisdom. “Confide in ME, Gentle Reader; unburden your soul. Pearl is ready for you now.”

Pearls lineage can be traced to the genus of tree squirrels named “Sciurus”. However, her vast knowledge and uncanny ability to see directly into the soul suggest incarnations in many, if not all, other species.
